Program Details

The Healthcare Hospitality Network, Inc. (HHN) is a nonprofit association of nearly 200 unique, nonprofit organizations located throughout the U.S. that provide family-centered lodging and support services to families and their loved ones receiving medical treatment far from their home communities. HHN promotes and assists not-for-profit programs (i.e. Hope Lodges) that provide housing and supportive services in a caring environment for families receiving medical care away from home. To reduce healthcare costs, HHN member/houses offer inexpensive accommodations during hospitalizations, before and after surgery, and during repeated visits. Lodging is not offered in every state. To see a list of HHN members visit their website at https://www.hhnetwork.org/find-lodging#/ to determine availability in your area. HHN does not provide financial assistance for lodging.
