Georgia Department of Human Resources - Cancer State Aid Program
Georgia Cancer State Aid Program

Program Details

Georgia Cancer State Aid Program - funds treatment and diagnosis for low-income uninsured cancer patients in Georgia. Services provided are: inpatient and outpatient cancer treatment at participating hospitals. Outpatient chemo and radiation therapy at approved freestanding chemo and radiation centers. Chemo and other cancer-related drugs provided by approved private pharmacies. Offers medical assistance only for cancer treatments. Must be uninsured or underinsured and not eligible for full coverage Medicaid. Must be a US citizen or an alien lawfully admitted to be a permanent resident. Must be a resident of GA. Must meet financial guidelines and other program guidelines. New patients are prioritized and accepted based on cancer site, stage and expected treatment effectiveness as described in the latest scientific literature and cancer survival rate. Applications will be considered based on the date received. Program does not offer retroactive pay towards old bills.
