

The Andrew McDonough B+ Foundation National Resource

Service Details

The Andrew McDonough B+ Foundation

101 Rockland Circle
Wilmington, Delaware 19803

Additional Information

Program Details

The Andrew McDonough B+ Foundation provides financial and emotional support to families of children with cancer through the B+ family assistance program. They also fund childhood cancer research in search of cures and advancements of chemotherapy. Services are for pediatric cancer patients (under the age of 21) and their families in the United States. Assistance is available to families who are experiencing financial hardship brought on by the diagnosis. Limited financial grants to eligible patients once a year for a maximum of 2 years. Applications can be downloaded on the website at <http://bepositive.org/need-help>. The B+ Foundation is committed to helping the families of critically ill children with financial assistance so they can focus on helping their child get well.
